Mrs. Hipp,
I recently called and spoke with Mr. Parker about my annual report that was due April 1, 2009 and explained that my accountant still has the information for my 2008 taxes that currently are under a tax extension. I was instructed to send you a request for an extension Till 6/30/09 while my accountant finishes with my corporate taxes and then I will be able to give the correct information on the annual report. (AR)
If you have any questions or if I need to provide any other information please call me at (843)744-8002 x 5

Thanks,

Gary F. Rea
